To: Catherine Landers <catherine.landiers@lacity.org>

Catherine. I've given some thought to our brief chat last night and have consulted in confidence with another LFIA officer and Susan Swan, President of HUNC, both of whom I trust. I love that your office is considering recommendations for several seats.

Here are my thoughts:

- 1). Don Seligman, LFIA ex President, historian, GPAB member and good analytical thinker; would have perspective on, and be GTAC communications liaison for Los Feliz side of park. He has good relations with all the other groups in greater Los Feliz and integrity beyond reproach.
- 2). Lucinda Phillips, LF Oaks resident, board member, Friend's of GP and Oaks HOA, and good relations with HUNC. She would have perspective on western side of park impacts and be west side communications liaison. GPAB member, smart, collaborative and also good analytical thinker. Susan Swan's first choice.
- 3). Diane Kanner, lives on upper Hillhurst and has front door seat re: concert noise and traffic impact. She's an ex LFIA board member, and published architectural historian of some renown, which will be very valuable next year, when the Greek capital improvements start taking place. Diane is a long term neighborhood volunteer who has good standing with all of us.
- 4). Frank Massi. Lives on Glendower, directly above the theatre and has been actively involved in monitoring sound (one of the Grozier off-site sound monitors was located at his home for years). He and his wife, Donna Kolb were instrumental in forging the good relationship with Nederlander. He's a retired entertainment executive who has broad knowledge of the industry and re: sound issues.

This list represents experts in several key result areas for us:

- Community liaisons on west and east side of park areas
- Neighbors directly impacted by noise and traffic
- All with long term direct involvement with Greek Theatre/community relations and history
- Historic Architectural knowledge
- Mature, rational leaders in the communities.

I have only spoken with Don, per my conversation with Sarah yesterday am, and he agrees to take the traditional community seat now held by Angela Stewart, should your office concur.

This is very important to us (LFIA) as Angela is, as you witnessed last night, non communicative and has been there for over 10 years. Frankly, she was substantially absent during the RFP process and I am clear that the RAP/community relationship went sideways and suffered mightily as a result.

Thank you for this. You all are walking the walk re community involvement and it's noticed, appreciated and being communicated to our members. Forward!

Mike:

I have consulted with Vicki and we both agree that Luke Klipp should be offered a position on GTAC.

Luke is a member of the Los Feliz Neighborhood Council and heads up the Transportation Committee. Luke is working with LADOT, MTA and is evaluating various modes of mobility to improve traffic flow throughout the Los Feliz Neighborhood. We believe he is an excellent candidate for GTAC.

Luke Klipp can be reached at luke.klipp@gmail.com or (415) 205-3302

Vicki and I are working on two more potential selections and will get those to you soon.

Thank you,
Joe

Catherine. I've given some thought to our brief chat last night and have consulted in confidence with another LFIA officer and Susan Swan, President of HUNC, both of whom I trust. I love that your office is considering recommendations for several seats. Here are my thoughts:

1). Don Seligman, LFIA ex President, historian, GPAB member and
